Thank you for your email.

As the author of the original article, I can confirm that you have the right to include the article in a thesis or dissertation that is not to be published commercially, provided that acknowledgement in the journal is noted.

This is an Accepted Manuscript of an article published by Taylor & Francis in *Journal of XXX* on DATE, available online: [http://www.tandfonline.com/DOI](http://www.tandfonline.com/DOI)

No further permission is required in order to do so

Best wishes

Louise Butler

Dear Author Services team,

The article "Epigenetic modifications of human placenta associated with preterm birth: a systematic review (ID# IJMF 1291620)" is part of my dissertation work. I do need the publisher's permission for my school library. Could you please guide me through the procedure?

Sincerely
Drissa Toure, MD., MPH.
