AN ANNUAL PUBLICATION of the SENIOR CLASS

UNIVERSITY of NEBRASKA
COLLEGE of DENTISTRY
LINCOLN, NEBRASKA

THE ALL PRO

The Senior Class Takes This Opportunity To Acknowledge The

DR. DENNIS P. GUTZ

Dorothy Muggy's sense of humor and "on the ball" personality have smoothed the rough times of cancellations and lost records. Dorothy, an experienced dental assistant, has worked in the clinic office for three years. Three cheers for Dorothy; you don't have to be a quarterback to be important on the team!

Has forward progress in the pedo block been halted by a slightly stubborn child? Come on over, Dr. Gutz; let your friendly smile and soothing voice tranquilize the patient and reinstall confidence in the frustrated student. Dr. Gutz, you're a good man to have in the line when the kids get tough!

MRS. DOROTHY MUGGY

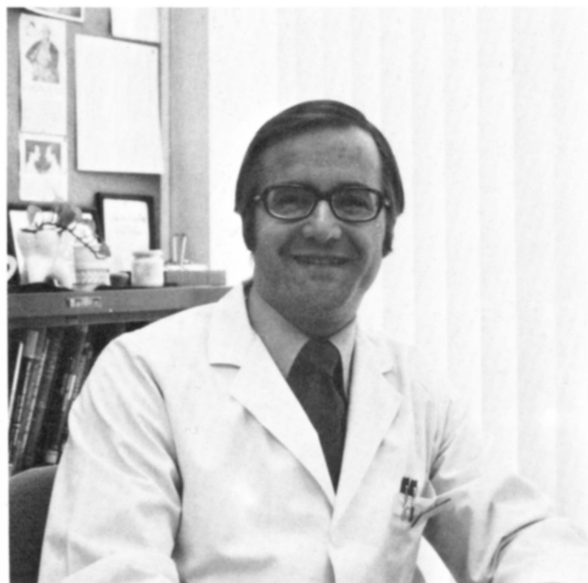

DR. JERRY D. SCHOETTGER

Confront Dr. Jerry Schoettger with an impacted mandibular 3rd with four diverging roots and listen when he calls the play. Dr. Schoettger's pragmatic approach, diagnostic acumen, and nothing's-too-sacred-sense of humor has won the respect of us all in both the classroom and the sterile field.

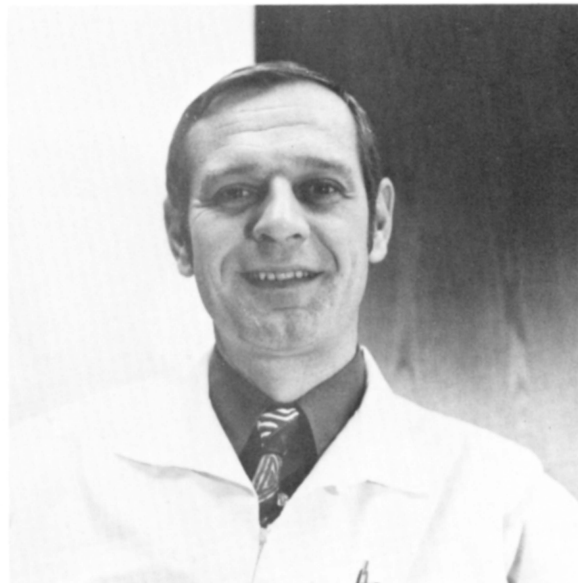

LINE-UP

Contribution To Its Education Made By These Special People

DR. STEPHEN LEEPER

Dr. Stephen Leeper runs the option well; he is effective in the classroom and in the clinic. His lectures are meticulously organized and spiced by subtle sarcasm. He consistently throws in practical sideline suggestions that are real crowd pleasers.

DR. WILLIAM D. AHRENS

Dr. Bill Ahrens scores high in case presentation and patient motivation. His sensitivity and verbal finesse contribute to create an outstanding professional image that has impressed students and patients alike. You're an old smoothy, William!

DR. BROCKLEY

DR. BRUNMEIER

DR. CARLSON

DR. DEMAREE

DR. DWORAK

These "old Hands", the George Blanda's of the Dentistry game, can always be counted on when time is running out. They are storehouses of practical information that are valuable adjuncts to our academic training. Thank you, gentlemen.

How do you set up a dental practice in 24 western states?

The M. F. Patterson Dental Supply Company serves over **26,000** members of the dental profession in 24 western states. Many of the fastest growing areas in the nation are located in these states. 127 Patterson salesmen in 41 branch locations serve them on a regularly scheduled basis.

Your Patterson man will provide information on area potentials and will assist you in obtaining office space suitable for a dental office. He will design an office for the most efficient dental usage; lay out the operatories; advise plumbers, electricians, carpenters and other tradesmen where air, water, waste, and electrical lines must be placed for dental equipment installation; install equipment; train you in its use and maintenance; help you locate an assistant and train her in office procedures, film processing techniques and proper mixing of many materials; help to set up bookkeeping and accounting systems; provide product guidance; arrange for office remodeling and decorating; provide a variety of time payment contracts tailored to your need. This service is then ready to assist you in building a practice, and once acquired, to make it grow on a business-like basis.

The one thing no other life insurance company can offer you is a Mass Mutual Agent...

What can he offer you?

Himself. He's unusually good at his job. Four times as many Mass Mutual agents as the industry average hold the Chartered Life Underwriter designation, granted after up to five years of intensive study. Six times as many belong to the Million Dollar Round Table, recognition of superior performance. Four times as many have won the industry's National Quality Award for continuing service to policyholders.

And his company. Mass Mutual agents are backed by an in-

dustry leader, one of the 10 largest life insurance companies. Nobody offers sounder yet more progressive coverage. Nobody consistently earns a higher yield on investments, which means lower cost to you.

We could go on. But we think you get the point. If your family is better than average—in your present living standard or in your goals and aspirations—you deserve a better-than-average insurance program. Designed by a Mass Mutual agent.

Here are five of them to serve you

CALLING ALL DENTISTS!

Want a great gift for your partner or dentist friend? Or how about this distinctive and unusual metal sculpture for your own desk? It's sure to cause both comment and smiles. This unique, whimsical character is the creation of Master Junksmith John Duffy, who dedicates this particular work to his own beloved dentist.

Duffy's work may be seen in the Guggenheim Museum and on the desks of such people as President Nixon, Gov. Ronald Reagan, Eugene McCarthy, Liberace, Bob Hope, and many other discriminating people.

Try one of Duffy's fun people - you'll be glad you did!

The Dentist — \$24.95 plus \$1.00 postage and insurance.

Money order or check only. Calif. residents add 5% sales tax.

Also available — whimsical doctors, golfers, skiers, musicians, antique cars and airplanes, etc.

Send 25 cents for catalog.
