Elizabeth,

Including your published paper in your dissertation is not a problem.

Congratulations on completing your PhD.

Happy New Year,

Subject: Permission to reprint manuscript in dissertation

Dear Dr. Thomas:

I am completing a doctoral dissertation at the University of Nebraska Medical Center entitled, "Rural Nebraska Women's Explanatory Model of Postpartum Depressive Symptomatology". I would like your permission to reprint the following manuscript that I authored in my dissertation with appropriate reference to "Issues in Mental Health Nursing":

Mollard, E. K. (2014). A qualitative meta-synthesis and theory of postpartum depression. *Issues in mental health nursing*, 35(9), 656-663.

If these arrangements meet with your approval, please respond to this email. Thank you very much.

Sincerely,

Elizabeth Mollard, MSN, APRN, WHNP-BC, IBCLC
