**Subject:** CBM-210308R1 Dissertation Request

Hello,

My name is Krysten Vance. I recently published manuscript through your journal (CBM-210308R1). I am a graduate student, writing my dissertation now. I was planning on including some of the data from the manuscript in my dissertation and our university requires approval from the journal for inclusion of published information. The dissertation will be furloughed for 2 years. Please let me know if you need any further information for permissions or if there is someone else within the journal I should contact.

Thank you!  
Krysten Vance
