

Dear Shamim Shahi,

We hereby grant you permission to reprint the material below at no charge in your thesis subject to the following conditions:

RE: Gender Differences in Recommended Treatment Decisions among Breast Cancer Patients: A Study Using the National Cancer Database. Clinical Breast Cancer, 22(4), e444-e456, Shahi et al

1. If any part of the material to be used (for example, figures) has appeared in our publication with credit or acknowledgement to another source, permission must also be sought from that source. If such permission is not obtained then that material may not be included in your publication/copies.
2. Suitable acknowledgment to the source must be made, either as a footnote or in a reference list at the end of your publication, as follows:

"This article was published in Publication title, Vol number, Author(s), Title of article, Page Nos, Copyright Elsevier (or appropriate Society name) (Year)."
3. Your thesis may be submitted to your institution in either print or electronic form.
4. Reproduction of this material is confined to the purpose for which permission is hereby given.
5. This permission is granted for non-exclusive world English rights only. For other languages please reapply separately for each one required. Permission excludes use in an electronic form other than submission. Should you have a specific electronic project in mind please reapply for permission.
6. As long as the article is embedded in your thesis, you can post/share your thesis in the University repository.
7. Should your thesis be published commercially, please reapply for permission.
8. Posting of the full article/ chapter online is not permitted. You may post an abstract with a link to the Elsevier website www.elsevier.com, [elsevier.com,] or to the article on ScienceDirect if it is available on that platform.

Kind regards,

Roopa Lingayath
