Subject: Permission to reprint manuscript in dissertation

Dear Dr. Covan :

I am completing a doctoral dissertation at the University of Nebraska Medical Center entitled, "Rural Nebraska Women's Explanatory Model of Postpartum Depressive Symptomatology". I would like your permission to reprint the following manuscript that I authored in my dissertation with appropriate reference to "Health Care for Women International":

Mollard, E. (2015). Exploring paradigms in postpartum depression research: The need for feminist pragmatism. *Health Care for Women International*, 36(4), 378-391.

If these arrangements meet with your approval, please respond to this email. Thank you very much.

Sincerely,

Elizabeth Mollard, MSN, APRN, WHNP-BC, IBCLC
