Terms and Conditions

Introduction

The publisher for this copyrighted material is Bioscientifica Ltd. By clicking "accept" in connection with completing this licensing transaction, you agree that the following terms and conditions apply to this transaction (along with the Billing and Payment terms and conditions established by Copyright Clearance Center, Inc. ("CCC"), at the time that you opened your CCC account and that are available at any time at).

Limited License

The publisher hereby grants to you a non-exclusive license to use this material. Licenses are for one-time use only with a maximum distribution equal to the number that you identified in the licensing process.

Geographic Rights: Scope

Licenses may be exercised anywhere in the world.

Reservation of Rights

The publisher reserves all rights not specifically granted in the combination of (i) the license details provided by you and accepted in the course of this licensing transaction, (ii) these terms and conditions and (iii) CCC's Billing and Payment terms and conditions.

Limited Contingent on Payment

While you may exercise the rights licensed immediately upon issuance of the license at the end of the licensing process for the transaction, provided that you have disclosed complete and accurate details of your proposed use, no license is finally effective unless and until full payment is received from you (either by publisher or by CCC) as provided in CCC's Billing and Payment terms and conditions. If full payment is not received on a timely basis, then any license preliminarily granted shall be deemed automatically revoked and shall be void as if never granted. Further, in the event that you breach any of these terms and conditions or any of CCC's Billing and Payment terms and conditions, the license is automatically revoked and shall be void as if never granted. Use of materials as described in a revoked license, as well as any use of the materials beyond the scope of an unrevoked license, may constitute copyright infringement and publisher reserves the right to take any and all action to protect its copyright in the materials.

Copyright Notice You must include the following copyright and permission notice in connection with any reproduction of the licensed material: "Copyright [Original year of publication] [Copyright holder]."

Warranties: None

The publisher makes no representations or warranties with respect to the licensed material and adopts on its own behalf the limitations and disclaimers established by CCC on its behalf in its Billing and Payment terms and conditions for this licensing transaction.

Indemnity

You hereby indemnify and agree to hold harmless the publisher and CCC, and their respective officers, directors, employees and agents, from and against any and all claims arising out of your use of the licensed material other than as specifically authorized pursuant to this license. In no event shall the publisher or CCC be liable for any special, incidental, indirect or consequential damages of any kind arising out of or in connection with the use of the articles or other material derived from the journals, whether or not advised of the possibility of damage, and on any theory of liability.

No Transfer of License

This license is personal to you and may not be sublicensed, assigned, or transferred by you to any other person without the publisher's written permission.

No Amendment Except in Writing

This license may not be amended except in a writing signed by both parties (or, in the case of the publisher, by CCC on publisher's behalf).

Objection to Contrary Terms

The publisher hereby objects to any terms contained in any purchase order, acknowledgment, check endorsement or other writing prepared by you, which terms are inconsistent with these terms and conditions or CCC's Billing and Payment terms and conditions. These terms and conditions, together with CCC's Billing and Payment terms and conditions (which are incorporated herein), comprise the entire agreement between you and publisher (and CCC) concerning this licensing transaction. In the event of any conflict between your obligations established by these terms and conditions and those established by CCC's Billing and Payment terms and conditions, these terms and conditions shall control.

STM Permissions Guidelines

The publisher is a signatory to the STM Guidelines and as such grants permission to other signatory STM publishers to re-use

material strictly in accordance with the current STM Guidelines (<http://www.stm-assoc.org/permissions-guidelines/>).

Other Terms and Conditions:
