ANS1599**"Clarifying the concept of depression in women with coronary heart disease"****Revision 1****Sydney Buckland (Corresponding Author)**

Custom Submission Question(s)	Response
<p>RETAINED RIGHTS: Except for copyright, other proprietary rights related to the Work (e.g., patent or other rights to any process or procedure) shall be retained by the author. To reproduce any text, figures, tables, or illustrations from this Work in future works of their own, the author must obtain written permission from Wolters Kluwer Health, Inc. ("WKH").</p> <p>ORIGINALITY: Each author warrants that his or her submission to the Work is original, does not infringe upon, violate, or misappropriate any copyright or other intellectual property rights, or any other proprietary right, contract or other right or interest of any third party, and that he or she has full power to enter into this agreement. Neither this Work nor a similar work has been published nor shall be submitted for publication elsewhere while under consideration by this Publication.</p> <p>AUTHORSHIP RESPONSIBILITY: Each author warrants that he or she has participated sufficiently in the intellectual content, the analysis of data, if applicable, and the writing of the Work to take public responsibility for it. Each has reviewed the final version of the Work, believes it represents valid work, and approves it for publication. Moreover, should the editors of the Publication request the data upon which the work is based, they shall produce it.</p> <p>PREPRINTS: Upon acceptance of the article for publication, each author warrants that he/she will promptly remove any prior versions of this Work (normally a preprint) that may have been posted to an electronic server.</p> <p>DISCLAIMER: Each author warrants that this Work contains no libelous or unlawful statements and does not infringe or violate the publicity or privacy rights of any third party, libel or slander any third party, contain any scandalous, obscene, or negligently prepared information, or infringe or violate any other personal or proprietary right of others. Each author warrants that the Work does not contain any fraudulent, plagiarized or incorrectly attributed material. Each author warrants that all statements contained in the Work purporting to be facts are true, and any formula or instruction contained in the Work will not, if followed accurately, cause any injury, illness, or damage to the user. If excerpts (e.g., text, figures, tables, illustrations, or audio/video files) from copyrighted works are included, a written release will be secured by the author prior to submission, and credit to the original publication will be properly acknowledged. Each author further warrants that he or she has obtained, prior to submission, written releases from patients whose names or likenesses are submitted as part of the Work. Should the Editor or WKH request copies of such written releases, the author shall provide them in a timely manner.</p> <p>DISCLOSURES/CONFLICT OF INTEREST Each author must identify any financial interests or affiliations with institutions, organizations, or companies relevant to the manuscript by completing the form below. Additionally, any financial associations involving a spouse, partner or children must be disclosed as well.</p>	I agree

<p>Note: Some sections below come from the ICMJE Uniform Disclosure Form for Potential Conflicts of Interest at http://www.icmje.org/downloads/coi_disclosure.pdf (dated July 2010).</p>	
<p>Did you or your institution at any time receive payment or support in kind for any aspect of the submitted work (including but not limited to grants, consulting fee or honorarium, support for travel to meetings for the study or other purposes, fees for participation in review activities such as data monitoring boards, statistical analysis, end point committees, and the like, payment for writing or reviewing the manuscript, provision of writing assistance, medicines, equipment, or administrative support, etc...)?</p>	No
<p>Other: Did you or your institution at any time receive additional payments or support in kind for any aspect of the submitted work?</p>	no
<p>Please indicate whether you have financial relationships (regardless of amount of compensation) with entities. You should report relationships that were present during the 36 months prior to submission including board membership, consultancy, employment, expert testimony, grants/grants pending, payment for lectures including service on speakers bureaus, payment for manuscript preparation, patents (planned, pending or issued), royalties, payment for development of educational presentations, stock/stock options, travel/accommodations/meeting expenses unrelated to activities listed (for example, if you report a consultancy above there is no need to report travel related to that consultancy), etc.</p>	No
<p>Other (err on the side of full disclosure): Please indicate whether you have any additional financial relationships (regardless of amount of compensation) with entities. You should report relationships that were present during the 36 months prior to submission.</p>	none
<p>Other Relationships Are there other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing, what you wrote in the submitted work?</p>	No other relationships/conditions /circumstances that present potential conflict of interest
<p>AUTHOR'S OWN WORK: In consideration of WKH's publication of the Work, the author hereby transfers, assigns, and otherwise conveys all his/her copyright ownership worldwide, in all languages, and in all forms of media now or hereafter known, including electronic media such as CD-ROM, Internet, and Intranet, to WKH. If WKH should decide for any reason not to publish the Work, WKH shall give prompt notice of its decision to the corresponding author, this agreement shall terminate, and neither the author nor WKH shall be under any further liability or obligation. Each author grants WKH the rights to use his or her name and biographical data (including professional affiliation) in the Work and in its or the journal's promotion. Notwithstanding the foregoing, this paragraph shall not apply, and any transfer made pursuant to this paragraph shall be null and void if (i) the Work has been accepted by WKH for publication, and (ii) the author chooses to have the Work published by WKH as an open access publication.</p> <p>WORK MADE FOR HIRE: If this Work or any element thereof has been commissioned by another person or organization, or if it has been written as part of the duties of an employee, an authorized representative of the commissioning organization or employer must also sign this form stating his or her title in the organization.</p> <p>GOVERNMENT EMPLOYEES: If the Work or a portion of it has been created in the course of any author's employment by the United States Government, check the "Government" box at the end of this form. A work prepared by a government employee as part of his or her official duties is called a "work of the U.S. Government" and is not subject to copyright. If it is not prepared as part of the employee's official duties, it may be subject to copyright.</p>	I agree

<p>INSTITUTIONAL REVIEW BOARD/ANIMAL CARE COMMITTEE APPROVAL: Each author warrants that his or her institution has approved the protocol for any investigation involving humans or animals and that all experimentation was conducted in conformity with ethical and humane principles of research.</p> <p>WARRANTIES: Each author warranty made in this form is for the benefit of WKH and the Editor; each author agrees to defend, indemnify, and hold harmless those parties for any breach of such warranties.</p>	
<p>The journal will permit the author(s) to deposit for display a "final peer-reviewed manuscript" (the final manuscript after peer-review and acceptance for publication but prior to the publisher's copyediting, design, formatting, and other services) 12 months after publication of the final article on the author's personal web site, university's institutional repository or employer's intranet, subject to the following:</p> <ul style="list-style-type: none"> * You may only deposit the final peer-reviewed manuscript. * You may not update the final peer-reviewed manuscript text or replace it with a proof or with the final published version. * You may not include the final peer-reviewed manuscript or any other version of the article on any commercial site or in any repository owned or operated by any third party. For authors of articles based on research funded by the National Institutes of Health ("NIH"), Wellcome Trust, Howard Hughes Medical Institute ("HHMI"), or other funding agency, see below for the services that WKH will provide on your behalf to comply with "Public Access Policy" guidelines. * You may not display the final peer-reviewed manuscript until twelve months after publication of the final article. * You must attach the following notice to the final peer-reviewed manuscript: "This is a non-final version of an article published in final form in (provide complete journal citation)". * You shall provide a link in the final peer-reviewed manuscript to the journal website. 	I agree
<p>"Public Access Policy" Funding Disclosure Please disclose below if you have received funding for research on which your article is based from any of the following organizations:</p>	
<p>Please select:</p>	Author's Own Work
<p>Any additional comments?</p>	
<p><u>Compliance with RCUK and Wellcome Trust Open Access Policies</u> Both the Research Councils UK (RCUK) and the Wellcome Trust have adopted policies regarding Open Access to articles that have been funded by grants from the RCUK or the Wellcome Trust. If either "Wellcome Trust" or "Research Councils UK (RCUK)" has been selected above, and the authors of the applicable article choose to have the article published as an open access publication, the following policies will apply:</p> <ul style="list-style-type: none"> * If the article is to be published pursuant to the "Gold" route of Open Access, both the RCUK and the Wellcome Trust require that WKH make the article freely available immediately pursuant to the Attribution 4.0 Creative Commons License, currently found at http://creativecommons.org/licenses/by/4.0/legalcode (the "CC BY License"). The CC BY License is the most accommodating of the Creative Commons licenses and allows others to distribute, remix, tweak, and build upon the article, even commercially, as long as they credit the authors for the original creation. * If the article is to be published pursuant to the "Green" route of Open 	I agree

<p>Access, both the RCUK and the Wellcome Trust require that WKH make the article freely available within six months pursuant to the Attribution-NonCommerical 4.0 Creative Commons License, currently found at http://creativecommons.org/licenses/by-nc/4.0/legalcode (the "CC BY-NC License"). The CC BY-NC License allows others to remix, tweak, and build upon the article non-commercially, and although their new works must also acknowledge the authors for the original creation and be non-commercial, they don't have to license their derivative works on the same terms.</p> <p>As a service to our authors, WKH will identify the National Library of Medicine (NLM) articles that require deposit pursuant to the RCUK and Wellcome Trust policies described in this section. This Copyright Transfer Agreement provides the mechanism for identifying such articles.</p> <p>WKH will transmit the final peer-reviewed manuscript of an article based on research funded in whole or in part by either RCUK or the Wellcome Trust to Pub Med Central.</p> <p>Upon NIH request, it remains the legal responsibility of the author to confirm with NIH the provenance of his/her manuscript for purposes of deposit. Author will not deposit articles him/herself. Author will not alter the final peer-reviewed manuscript already transmitted to NIH.</p> <p>With respect to the "Green" route of Open Access, author will not authorize the display of the final peer-reviewed manuscript prior to 6 months following publication of the final article.</p> <p>Authors of articles that have been funded from grants from the RCUK or the Wellcome Trust are required to sign the WKH Open Access License Agreement prior to publication of the applicable article. Please contact the Editorial Office of the applicable journal to receive the Open Access License Agreement that is to be signed in connection with the publication of the article.</p>	
I am the person in question for this submission or otherwise have approval to complete this agreement.	I agree
<p>CME/CE Disclosure</p> <p>Each author must identify and disclose any financial associations involving a spouse, partner or children by completing the Family Disclosure question below, and whether any off-label uses or unapproved drugs or devices are discussed in his/her manuscript by completing the Off-Label Use/Unapproved Drugs or Products question below. In the event that the Work is published as a continuing education or continuing medical education article, this information will be provided to the accrediting body and may be included in the published article. When applicable, articles accepted for publication may need to comply with additional standards related to CME or CE accreditation. Please refer to guidelines for authors for details. WKH and its affiliates reserve the right to publish the manuscript as a continuing education article.</p>	I agree
<p>Family Disclosure</p> <p>Do your children or your spouse or partner have financial relationships with entities that have an interest in the content of the submitted work?</p>	No other relationships/conditions /circumstances that present potential conflict of interest
<p>Off-Label Use/Unapproved Drugs or Products</p> <p>If your manuscript discusses an unlabeled use of a commercial product or device or an investigational use of a product or device not yet approved by the FDA for any purpose, you must specifically disclose in the manuscript that the product is not labeled for the use under discussion or that the product is still investigational. Please check the item below that applies to you</p>	I will not discuss unlabeled/investigational uses of any commercial product or device
Each person listed as an author is expected to have participated in the preparation of the manuscript to a significant extent. We use the standards of the International Committee of Medical Journal Editors	Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of

Recommendations for the Conduct, Reporting, Editing, and Publication of Scholarly Work in Medical Journals (<http://www.icmje.org/recommendations/>). Individuals who have contributed to the manuscript in some ways, but who do not meet all of the following 4 criteria, should be noted in the acknowledgments. Please indicate that you have or will meet the following criteria for authorship.

data for the work; AND; Drafting the work or revising it critically for important intellectual content; AND; Final approval of the version to be published; AND; Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.
